

I'm Still In Love

Jimi Renfro

Verse 1
What are you waiting for
What are you trying to see
I'm not your guy anymore
What are you trying to be
Why are you still calling me
With your trouble and abuse
I've heard everything that you can say
Baby – what's the use

Bridge 1
Voices whisper
Quiet like a prayer
Songs we sang into the air
I said you were beautiful
You pretended not to care

Chorus 1
I'm still in love with you
No matter what you do
I'm still in love with Rome
I just don't wanna go home

Verse 2
Got myself together
My pain tucked safely away
I'm so in love with you
I thought I heard you say
What was I thinking
Why was I surprised
I got a funny feeling
You're filling me with lies

Bridge 2
Voices whisper
Quiet like a prayer
Songs we sang into the air
I said you were beautiful
You pretended not to care

Chorus 2
I'm still in love with you...

Bridge 3
Voices whisper
Quiet like a prayer
Songs we sang into the air
I said you were beautiful
You pretended not to care

Chorus 3
I'm still in love with you...
